London Christian High

For more details and sponsorship opportunities visit www.lccss.ca

The London Christian High community invites all golfers and sponsors to come together to support Christian education. What a great way to spend a day: playing golf with friends, enjoying a great meal, and knowing that your sponsorship/entry fee is being used to support students, the school, and Christian Education in our community. For the 7th Annual Golf Tournament our goal is to raise **\$50,000** in support of London Christian High. Please join us in supporting this worthy cause!
